Erasmus+

# ACTIVITIES OVERVIEW

## FINAL SEMINAR | 18/05/18

Organizzato in Romania dall'Associazione Aldo Moro e Dedalo Onlus

Si è svolto a Bucarest il 18 maggio l'evento finale del progetto Erasmus. L'evento si è tenuto presso la nuova sede della scuola Associatia Aldo Moro che ospita circa 100 alunni dalla scuola materna alla scuola media.

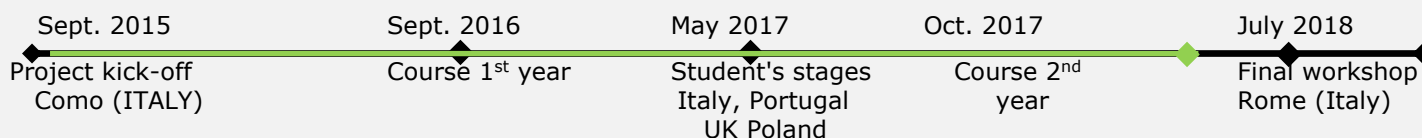

Accanto all'intera equipe, diretta dalla Preside Tina Savoi, agli alunni e ai genitori, alla presentazione della nuova sede della scuola e del progetto Setup erano presenti il Presidente dell'ente che gestisce la scuola, Luigi Paccosi, l'Ambasciatore d'Italia a Bucarest, Sua Eccellenza Marco Giungi e diplomatici italiani, il direttore dell'Istituto Italiano di Cultura,

Ezio Peraro, il Presidente della Camera di Commercio Italiana per la Romania, Roberto Musneci, il Presidente della Confindustria Romania, Giovanni Villabruna ed esponenti dell'imprenditoria italiana. Questi e le numerose persone presenti hanno potuto prendere atto dell'opportunità che il progetto del corso Setup è stata per gli studenti portoghesi, italiani e polacchi e per tutte le aziende coinvolte. Anche la Camera di Commercio di Bucarest è stato un soggetto attivo proprio in forza del riconoscimento della positività che tale progetto può portare anche in Romania, offrendo sostegno nell'organizzazione dell'evento.

## MILESTONES

# Who we are

## TRAINING CENTRES

### **Dedalo Onlus**, Como (Italy) Activity Leader

An Italian social cooperative that for the last 20 years manages scholastic institutions in Como and Rome, accompanying young people to university and work. The 1500 students are taught with the prospects of a European job market thanks to agreements with foreign universities and governments.

### **APECEF**, Lisbon (Portugal)

An association that manages the Colégio de San Tomás with school programmes that start at preschool and continue on to high school, promoting educational activities and with the objective of guiding students to be protagonists and opening up to the international sphere.

## TECHNOLOGY PARKS

### **ComoNExT, Lomazzo (Italy)**

A Scientific Technological Park providing assistance and consultancy to companies, promoting technology transfer between universities, research and development centres and companies. Today, ComoNExT boasts 96 companies and 500 people who work and collaborate in a synergetic manner on 30 unique, innovative projects.

### **Technopark Gliwice (Poland)**

The Science and Technology Park 'Technopark Gliwice' is a modern center for academic business support. It assists the creation and promotion of innovative companies and transfer of advanced technology from R&D units to SMEs. It hosts over 70 innovative companies, offering good infrastructure, consulting and training services and implementation of international, central and regional programs of entrepreneurship promotion.

## COMMUNICATION & DISSEMINATION PARTNER

### **Asociatia "Aldo Moro"**, Bucharest (Romania)

A not for profit organisation that manages the first academic cycle for the Italian students, Italian-Romanian students and foreigners who live in Romania; has matured a strong capability to build relationships, becoming a point of reference with authorities, local institutions and with the Italian Embassy of Bucharest.

## LANGUAGE SCHOOLS

### **St. Joseph Foundation UK**, London (Great Britain)

A charity that aims to promote the institution through the teaching of the English language for students in foreign schools. St. Joseph is today a reference point for numerous scholastic institutions, European and not, having built a significant network of international relationships.
